ATLANTA, March 28, 2018 (GLOBE NEWSWIRE) -- Oxford Industries, Inc. (NYSE:OXM) today announced financial results for its fourth quarter and fiscal 2017 year ended February 3, 2018. In the fourth quarter, consolidated net sales increased 12% to \$293.2 million compared to \$261.0 million in the fourth quarter of fiscal 2016. Earnings from continuing operations on a GAAP basis increased to \$1.41 per share in the fourth quarter of fiscal 2017 as compared to \$0.72 per share in the same period of the prior year. Adjusted earnings from continuing operations increased to \$0.93 per share in the fourth quarter of fiscal 2017 from \$0.63 per share in the fourth quarter of fiscal 2016; these adjusted results exclude the positive impact of tax reform and the impact of LIFO accounting, among other items.

Full fiscal year consolidated net sales increased 6% to \$1.086 billion. Full fiscal year earnings per share from continuing operations on a GAAP basis increased to \$3.87 compared to \$3.27 in the prior year. Adjusted earnings from continuing operations increased by 11% to \$3.66 per share compared to \$3.30 per share in fiscal 2016.

Thomas C. Chubb III, Chairman and Chief Executive Officer, commented, "Each of our brands delivered a strong fourth quarter performance and we achieved very solid revenue and earnings growth for the full fiscal year. We grew revenue in all channels of distribution with particular strength in our e-commerce business, which represented 19% of our fiscal 2017 total revenue. Lilly Pulitzer's momentum began to build in the third quarter and continued into the fourth quarter with 22% revenue growth and a 6% increase in comp store sales, a trend that has continued into the first quarter of our new fiscal year. Tommy Bahama maintained a sharp strategic and operational focus during the year and delivered significantly improved results in the fourth quarter, both in terms of profitability and revenue growth. Oxford's 2017 success included full-year growth in total sales, positive comp increases in all four quarters, and expanded gross and operating margins. We are determined to follow those achievements with another solid year of profitable growth in 2018."

Mr. Chubb continued, "In 2018, we will remain focused on driving long-term value to our shareholders. Our plan calls for modest top-line growth driven by robust e-commerce growth, healthy growth in our bricks and mortar channel partially offset by a planned contraction in our wholesale business. We will continue to carefully select locations for bricks and mortar expansion that are strategically valuable and financially compelling. To that end, we are excited to be opening a Lilly Pulitzer store on Worth Avenue in Palm Beach, our first Hawaii store for Lilly in Whaler's Village on Maui, and a new *Tommy Bahama Marlin Bar & Grill* in Palm Springs. We also believe it is prudent, particularly in today's environment, to have disciplined wholesale distribution. We have reduced our department store exposure to only 14% of our total sales and we expect to further focus that business on fewer, but more profitable doors."

Mr. Chubb concluded, "We expect to deliver solid revenue growth, expanded gross margins and stronger operating profitability in 2018. These successes, along with a lower tax rate, should enable us to deliver good earnings growth and enhanced value to shareholders, including through the significant increase in our dividend announced today. At the same time, we will continue to invest in the business. In 2018, we will grow our marketing spend with a priority on customer acquisition. Our investment in technology will focus on enhancing the customer experience and ensuring that we have the tools to win in any retail environment. Most importantly, we will continue to invest in our ability to retain, attract and nurture talent and, as part of that, are pleased to enhance our 401(k) plan this year. Everything we do and everything we achieve flows from an incredible group of men and women who come to work every day focused on making our customers happy and coming back for more."
