## Oxford Announces Second Quarter Results with Double-Digit Top and Bottom Line Growth

August 31, 2016

--Second Quarter Earnings Per Share Exceed Guidance----Sales Growth of 13\% Fueled by Tommy Bahama, Lilly Pulitzer and Addition of Southern Tide----Lilly Pulitzer Contributes 32\% Operating Margin--

ATLANTA, Aug. 31, 2016 (GLOBE NEWSWIRE) -- Oxford Industries, Inc. (NYSE:OXM) today announced financial results for its fiscal 2016 second quarter ended July 30, 2016. Consolidated net sales increased $13 \%$ to $\$ 283.0$ million compared to $\$ 250.7$ million in the second quarter of fiscal 2015. Earnings from continuing operations were $\$ 1.44$ per share in the second quarter of fiscal 2016 compared to $\$ 1.27$ in the same period of the prior year. On an adjusted basis, earnings from continuing operations were $\$ 1.48$ per share in the second quarter of fiscal 2016 compared to $\$ 1.32$ in the second quarter of fiscal 2015.

Thomas C. Chubb III, Chairman and CEO, commented, "We are proud of our accomplishments in the second quarter. We exceeded our expectations for financial performance and demonstrated the strength of our business. Tommy Bahama had a solid performance in the quarter with a $7 \%$ increase in comp store sales. Lilly Pulitzer also had a strong quarter with a remarkable 32\% operating margin. These contributions from our two largest brands, as well as the first full quarter of Southern Tide in our portfolio, resulted in double-digit year-over-year growth on both the top and bottom lines."

Mr. Chubb concluded, "We believe our strategic focus on building strong direct to consumer businesses will enable us to deliver another year of sales and earnings growth. We are also mindful that the retail environment remains uncertain for many of our wholesale customers, who are taking a more cautious approach to re-orders and the upcoming holiday season. We are committed to closely managing discretionary costs and our inventory levels, while still investing wisely in infrastructure. We believe that with powerful brands like Tommy, Lilly and Southern Tide, Oxford is well-positioned to succeed in this rapidly evolving consumer marketplace."

## Consolidated Operating Results

Net Sales Consolidated net sales increased $13 \%$ to $\$ 283.0$ million in the second quarter of fiscal 2016 compared to $\$ 250.7$ million in the second quarter of fiscal 2015.

- Tommy Bahama's net sales increased $11 \%$ to $\$ 184.1$ million in the second quarter of fiscal 2016 , with a comparable store sales increase for the quarter of $7 \%$.
- Lilly Pulitzer's net sales increased $8 \%$ in the second quarter of fiscal 2016 to $\$ 69.7$ million. Comparable store sales decreased $1 \%$ in the quarter following a remarkable $41 \%$ comparable store sales increase in the second quarter of fiscal 2015.
- Lanier Apparel's net sales were $\$ 19.5$ million in the second quarter of fiscal 2016 compared to $\$ 20.7$ million in the second quarter of 2015.
- Southern Tide, which was acquired on April 19, 2016, had net sales of $\$ 9.2$ million in the second quarter of fiscal 2016.

Gross Margin and Gross Profit Gross margin in the second quarter of fiscal 2016 was $58.6 \%$ compared to $60.3 \%$ in the prior year period. Gross profit in the second quarter of fiscal 2016 was $\$ 165.7$ million compared to $\$ 151.1$ million in the prior year period. On an adjusted basis, gross margin in the second quarter of fiscal 2016 was $58.6 \%$ compared to $60.6 \%$ in the second quarter of fiscal 2015. Adjusted gross profit for the second quarter of fiscal 2016 was $\$ 165.7$ million compared to $\$ 151.8$ million in the second quarter of fiscal 2015.

Several factors contributed to the decline in gross margin in the second quarter:

- To maintain appropriate inventory levels, Tommy Bahama offered deeper discounts in its off-price channels, primarily in footwear and women's.
- Higher year-over-year markdowns in Lanier Apparel.
- A year-over-year shift of a loyalty gift card event at Tommy Bahama, which occurred in the first quarter last year and the second quarter this year.

SG\&A In the second quarter of fiscal 2016, SG\&A was $\$ 130.3$ million, or $46.1 \%$ of net sales, compared to $\$ 120.0$ million, or $47.9 \%$ of net sales, in the second quarter of fiscal 2015. On an adjusted basis, SG\&A was $\$ 129.4$ million, or $45.7 \%$ of net sales, compared to $\$ 119.6$ million, or $47.7 \%$ of net sales, in the second quarter of fiscal 2015. The increase in SG\&A was primarily due to incremental costs associated with operating additional retail stores and restaurants as well as SG\&A associated with the Southern Tide business.

Royalties and Other Operating Income For the second quarter of fiscal 2016, royalties and other operating income were $\$ 3.3$ million compared to $\$ 3.6$ million in the second quarter of fiscal 2015.

Operating Income In the second quarter of fiscal 2016, operating income increased $11 \%$ to $\$ 38.7$ million compared to $\$ 34.7$ million in the second quarter of fiscal 2015. On an adjusted basis, operating income was $\$ 39.7$ million in the second quarter of fiscal 2016 compared to $\$ 35.9$ million in the second quarter of fiscal 2015.

Interest Expense Interest expense for the second quarter of fiscal 2016 was $\$ 1.2$ million compared to $\$ 0.7$ million in the second quarter of fiscal 2015. The increase was primarily due to a $\$ 0.3$ million write-off of deferred financing costs associated with the refinancing of the Company's revolving credit facility.

Income Taxes For the second quarter of fiscal 2016, the effective tax rate was $36.4 \%$ compared to $38.1 \%$ in the second quarter of fiscal 2015 primarily due to improved international operating results.

## Balance Sheet and Liquidity

Inventory increased to $\$ 133.7$ million at July 30,2016 from $\$ 104.8$ million at the end of the second quarter of fiscal 2015. This increase reflects the addition of Southern Tide as well as inventory to support anticipated sales growth in the Company's other businesses in the third quarter of fiscal 2016.

As of July 30 , 2016, the Company had $\$ 105.9$ million of borrowings outstanding under its revolving credit agreement compared to $\$ 45.0$ million at the end of the second quarter of 2015. The increase was primarily due to the purchase of Southern Tide on April 19, 2016. On May 24, 2016, the
Company amended and restated its credit agreement, which increased its revolving credit facility to $\$ 325$ million and extended maturity to May 2021.

## Outlook for Third Quarter and Fiscal Year 2016

The Company initiated its guidance for the third quarter of fiscal 2016, ending on October 29, 2016. Consistent with prior years, the Company expects the third quarter to be the smallest sales and earnings quarter of the fiscal year reflecting the normal seasonality of the Tommy Bahama and Lilly Pulitzer businesses. The Company expects net sales in a range from $\$ 220$ million to $\$ 230$ million compared to net sales of $\$ 198.6$ million in the third quarter of fiscal 2015.

For the third quarter, the Company expects a loss per share in a range of $\$ 0.12$ to $\$ 0.02$ and adjusted earnings per share in a range from a loss per share of $\$ 0.05$ to earnings per share of $\$ 0.05$. This compares with a third quarter fiscal 2015 loss per share of $\$ 0.08$ on both a GAAP and adjusted basis.

For the full year, the Company has affirmed its guidance of net sales in the $\$ 1.03$ billion to $\$ 1.05$ billion range. The Company also affirmed its adjusted earnings per share guidance of $\$ 3.65$ to $\$ 3.80$. Due to LIFO accounting income recognized in the second quarter of fiscal 2016, the Company increased its earnings per share guidance on a GAAP basis to a range of $\$ 3.43$ to $\$ 3.58$. This compares with fiscal 2015 net sales of $\$ 969.3$ million and earnings per share of $\$ 3.54$ and, on an adjusted basis, $\$ 3.64$.

Interest expense for fiscal 2016 is expected to be approximately $\$ 3.5$ million compared to $\$ 2.5$ million in fiscal 2015, reflecting additional borrowings to acquire Southern Tide. The effective tax rate for fiscal 2016 is expected to be approximately $36 \%$ compared to $38.4 \%$ in fiscal 2015.

The Company's capital expenditures for fiscal 2016 are expected to be approximately $\$ 55$ million, primarily related to information technology initiatives, new retail stores and the relocation and remodeling of certain retail locations and a restaurant.

## Dividend

The Company also announced that its Board of Directors has approved a cash dividend of $\$ 0.27$ per share payable on October 28, 2016 to shareholders of record as of the close of business on October 14, 2016. The Company has paid dividends every quarter since it became publicly owned in 1960.

## Non-GAAP Financial Information

The Company reports its consolidated financial statements in accordance with generally accepted accounting principles (GAAP). To supplement these consolidated financial results, management believes that a presentation and discussion of certain financial measures on an adjusted basis, which exclude certain non-operating or discrete gains, charges or other items, may provide a more meaningful basis on which investors may compare the Company's ongoing results of operations between periods. These measures include adjusted earnings, adjusted earnings per share, adjusted gross profit, adjusted gross margin, adjusted SG\&A and adjusted operating income, among others. Management uses these non-GAAP financial measures in making financial, operational and planning decisions to evaluate the Company's ongoing performance. Management also uses these adjusted financial measures to discuss its business with investment and other financial institutions, its board of directors and others. Reconciliations of these adjusted measures to the most directly comparable financial measures calculated in accordance with GAAP are presented in tables included at the end of this release. These reconciliations present adjusted operating results information for certain historical and future periods.

## Basis of Presentation

All financial results and outlook information included in this release, unless otherwise noted, are from continuing operations and all earnings per share amounts are on a diluted basis. The results from the Ben Sherman business, which was sold on July 17, 2015, are reflected as discontinued operations for all periods presented.

## Safe Harbor

This press release includes statements that constitute forward-looking statements within the meaning of the federal securities laws. Generally, the words "believe," "expect," "intend," "estimate," "anticipate," "project," "will" and similar expressions identify forward-looking statements, which are not historical in nature. We intend for all forward-looking statements contained herein or on our website, and all subsequent written and oral forwardlooking statements attributable to us or persons acting on our behalf, to be covered by the safe harbor provisions for forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and the provisions of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). Such statements are subject to a number of risks, uncertainties and assumptions including, without limitation, the impact of economic conditions on consumer demand and spending for apparel and related products, particularly in light of general economic uncertainty that continues to prevail, demand for our products, competitive conditions, timing of shipments requested by our wholesale customers, expected pricing levels, retention of and disciplined execution by key management, the timing and cost of store openings and of planned capital expenditures, weather, costs of products as well as the raw materials used in those products, costs of labor, acquisition and disposition activities, expected outcomes of pending or potential litigation and regulatory
actions, access to capital and/or credit markets, our ability to timely recognize our expected synergies from any acquisitions we pursue (including our recent acquisition of Southern Tide) and the impact of foreign operations on our consolidated effective tax rate. Forward-looking statements reflect our current expectations, based on currently available information, and are not guarantees of performance. Although we believe that the expectations reflected in such forward-looking statements are reasonable, these expectations could prove inaccurate as such statements involve risks and uncertainties, many of which are beyond our ability to control or predict. Should one or more of these risks or uncertainties, or other risks or uncertainties not currently known to us or that we currently deem to be immaterial, materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or projected. Important factors relating to these risks and uncertainties include, but are not limited to, those described in Part I, Item 1A. contained in our Annual Report on Form 10-K for the period ended January 30,2016 under the heading "Risk Factors" and those described from time to time in our future reports filed with the SEC.
