PROXY STATEMENT

For 2021 Annual Meeting of Shareholders To Be Held on June 15, 2021

INTRODUCTION

This proxy statement contains information relating to the 2021 Annual Meeting of Shareholders of Oxford Industries, Inc. to be held on Tuesday, June 15, 2021, beginning at 2:00 p.m., Eastern Time. The annual meeting will be conducted as a virtual meeting, accessible via live audio webcast at www.meetingcenter.io/286704064. In light of continuing public health concerns regarding large, in-person gatherings as a result of the COVID-19 pandemic, we believe that hosting a virtual meeting is in the best interest of our shareholders and employees.

We have elected to provide access to our proxy materials on the Internet. Accordingly, we are mailing a Notice of Internet Availability of Proxy Materials to our shareholders instead of a paper copy of our proxy materials. By providing our proxy materials on the Internet, we believe that we are increasing our shareholders' ability to access the information they need while at the same time reducing the cost and environmental impact of our annual meeting. The Notice of Internet Availability contains instructions for accessing our proxy materials and submitting a proxy on the Internet. The Notice of Internet Availability also contains instructions for requesting a paper copy of our proxy materials. We will begin mailing the Notice of Internet Availability on or about May 6, 2021 to all holders of our common stock, par value \$1.00 per share, entitled to vote at the annual meeting. A similar notice will be sent by brokers and other nominees to beneficial owners of shares of which they are the shareholder of record.

This proxy statement and our 2020 Annual Report on Form 10-K are available at <http://www.edocumentview.com/oxford>. We will mail any shareholder a copy of the proxy materials free of charge upon request, but you will not receive a printed copy of the proxy materials unless you request one. You may request to receive a copy of proxy materials by following the instructions set forth in the Notice of Internet Availability.

Proposal No. 1—Election of Directors	<i>Election of Messrs. Thomas C. Chubb III, John R. Holder, Stephen S. Lanier and Clarence H. Smith as Class II directors for a three-year term expiring in 2024 and Mr. Milford W. McGuirt as a Class III director for a one-year term expiring in 2022</i>	FOR EACH

Proposal No. 3—Non-Binding, Advisory Vote on Executive Compensation	<i>A non-binding, advisory vote to approve the compensation paid to our named executive officers</i>	FOR

Proposal No. 1: Election of Directors

Board of Directors

In accordance with our charter, our directors are divided into three classes that are as nearly equal in size as possible. Directors in each class are elected to three year terms, with director classes serving staggered terms. A director holds office until the annual meeting of shareholders held in the year during which the director's term ends and until his or her successor is elected and qualified. When the number of directors is increased, newly appointed directors are required to stand for election at the next annual meeting.

Bylaws Relating to Retirement

Pursuant to our bylaws, an individual becomes ineligible for election or appointment as a director: (1) for any employee director (i.e., someone who concurrently serves as an employee of our company and as a member of our Board), other than an individual who has at any time served as our Chief Executive Officer, following the end of our fiscal year during which such individual reaches the age of 65; and (2) for any other individual, following the end of our fiscal year during which such individual reaches the age of 72.

Director Nominees

Our Board currently consists of three Class I directors (Messrs. Dennis M. Love, Clyde C. Tuggle and E. Jenner Wood III), four Class II directors (Messrs. Thomas C. Chubb III, John R. Holder, Stephen S. Lanier and Clarence H. Smith), three Class III directors (Ms. Helen Ballard, Mr. Thomas C. Gallagher and Ms. Virginia A. Hepner) and Mr. Milford W. McGuirt.

At our 2021 annual meeting, the terms of our Class II directors will expire. Our Board, on the recommendation of our Nominating, Compensation & Governance Committee, or NC&G Committee, has unanimously nominated Messrs. Thomas C. Chubb III, John R. Holder, Stephen S. Lanier and Clarence H. Smith for election at our annual meeting as Class II directors, each to serve for a three year term expiring in 2024 and until his respective successor is elected and qualified.

Our Board, on the recommendation of our NC&G Committee, has also unanimously nominated Mr. Milford W. McGuirt for election at this year's annual meeting as a Class III director, to serve for a one year term expiring in 2022 and until his successor is elected and qualified. Mr. McGuirt was initially appointed as a director by our Board on August 14, 2020. Mr. McGuirt was identified and recruited as a potential director nominee by our NC&G Committee. After evaluating Mr. McGuirt's experience, qualifications, attributes, skills and independence, our NC&G Committee unanimously recommended to our Board that he be appointed to the Board. In August 2020, our Board approved an amendment to our bylaws to increase the size of the Board to 11 members and appointed Mr. McGuirt to fill the vacancy. Because Mr. McGuirt was appointed to fill a newly created vacancy, as noted above, pursuant to our charter, he is required to stand for election at this year's annual meeting in order to continue to serve as a member of our Board.

The terms of our Class III directors expire in 2022, and the terms of our Class I directors expire in 2023. Each of our Class III and Class I directors is currently expected to remain in office for the remainder of his or her current term.

Required Vote

In an uncontested election at an annual meeting of shareholders, our bylaws require that each director be elected by a majority of the votes cast with respect to such director (number of shares voted "for" a director must exceed the number of votes cast "against" that director). In accordance with our bylaws, in order for a shareholder to have nominated a director for consideration at the 2021 annual meeting, we must have received the nomination not later than the close of business on March 18, 2021. We have not received a shareholder nomination for a director for consideration at the 2021 annual meeting. Accordingly, the election of directors at the 2021 annual meeting is an uncontested election.

Under Georgia law, in an uncontested election, if a nominee who is already serving as a director is not elected, the director would continue to serve on our Board as a "holdover director." Under our bylaws, any holdover director who fails to receive a majority of the votes cast must offer to tender his or her resignation to our Board. Our Board, in consultation with any of its committees so designated, would then determine whether to accept or reject the resignation, or whether other action should be taken. Under our bylaws, our Board is required to act on the resignation and publicly disclose its decision and the rationale behind it within 90 days from the date the election results are certified.

Abstentions and broker non-votes will have no effect on the vote for the election of directors. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Each nominee has consented to serve if elected, and our Board has no reason to believe that any of the nominees will be unable or unwilling to serve if elected. If a nominee becomes unwilling or unable to serve prior to the annual meeting, then at the recommendation of our Board: (1) proxies will be voted for a substitute nominee selected by or at the direction of our

Board; (2) the vacancy created by the inability or unwillingness of a nominee to serve will remain open until filled by our Board; or (3) our bylaws may be amended to reduce the number of directors serving on our Board.

Recommendation of our Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF MESSRS. THOMAS C. CHUBB III, JOHN R. HOLDER, STEPHEN S. LANIER AND CLARENCE H. SMITH AS A CLASS II DIRECTOR AND MR. MILFORD W. MCGUIRT AS A CLASS III DIRECTOR.

Proposal No. 2: Ratification of Independent Registered Public Accounting Firm

Independent Registered Public Accounting Firm

Our Audit Committee has selected Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal 2021, which appointment was ratified by our full Board. Ernst & Young LLP has served as our independent auditors since 2002.

Our Board considers Ernst & Young LLP to be well qualified and recommends that our shareholders vote to approve its selection. Although shareholder ratification of the selection of our independent registered public accounting firm is not required by law, our Board believes soliciting shareholder approval of Ernst & Young LLP's selection to be a matter of good corporate governance. A representative of Ernst & Young LLP is expected to participate in the annual meeting. The representative will be given the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions from shareholders.

Required Vote

Ratification of the selection of Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal 2021 requires the affirmative vote of at least a majority of the outstanding shares of our common stock present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. Abstentions will have the same effect as a vote against this proposal. If our shareholders do not ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2021, our Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm for fiscal 2021 and/or future years.

Recommendation of our Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY ERNST & YOUNG LLP TO SERVE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2021.

Proposal No. 3: Non-Binding, Advisory Vote to Approve Executive Compensation

Executive Compensation

We are asking shareholders to indicate their support for our named executive officer compensation practices, as described in this proxy statement. This "say-on-pay" proposal gives our shareholders the opportunity to express their views on our executive compensation practices. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

As further described under "*Executive Compensation—Compensation Discussion and Analysis*," our executive compensation programs are designed to maintain a strong link between pay and performance for our named executive officers; align our named executive officers' interests with those of our shareholders by creating a strong focus on stock ownership; and ensure that we are able to attract and retain talented individuals who can deliver excellent business performance.

Proposed Resolution

We are asking our shareholders to vote on the following resolution at the annual meeting:

RESOLVED, that the shareholders approve, on a non-binding, advisory basis, the compensation paid to the Company's named executive officers as disclosed in this proxy statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth herein.

Required Vote

Approval of the say-on-pay resolution requires the affirmative vote of at least a majority of the outstanding shares of our common stock present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. Because broker non-votes are counted as present at the annual meeting for quorum purposes but are not counted as entitled to vote on this proposal, they will have no effect on the vote on the resolution approving executive compensation. Abstentions will have the same effect as a vote against this proposal.

The vote on this say-on-pay proposal is advisory, and therefore the results of this proposal are not binding on our company, our NC&G Committee or our Board. The results of this proposal will not overrule any decision made by our Board or NC&G Committee. Our Board and our NC&G Committee value the input of our shareholders and to the extent there is any significant vote against this say-on-pay proposal, we will consider our shareholders' concerns and our NC&G Committee will evaluate whether any actions, in fiscal 2021 or in subsequent years, are appropriate to address those concerns.

Recommendation of our Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL APPROVING EXECUTIVE COMPENSATION.

CORPORATE GOVERNANCE AND BOARD MATTERS

Directors

Under our articles of incorporation, or charter, our Board must consist of at least nine members, with the specific number fixed by our bylaws, as amended from time to time. Our bylaws were amended in August 2020 to set the number of our directors at 11 members, and we currently have 11 members serving on our Board.

Our charter provides that the members of our Board are to be divided into three classes. Our Board currently consists of three Class I directors (Messrs. Dennis M. Love, Clyde C. Tuggle and E. Jenner Wood III), four Class II directors (Messrs. Thomas C. Chubb III, John R. Holder, Stephen S. Lanier and Clarence H. Smith), three Class III directors (Ms. Helen Ballard, Mr. Thomas C. Gallagher and Ms. Virginia A. Hepner), and Mr. Milford W. McGuiert. Mr. McGuiert was appointed by our Board to fill the vacancy created by the increase in the size of our Board in August 2020. The terms of our Class II directors expire at the 2021 annual meeting, while the terms of our Class III directors and Class I directors expire in 2022 and 2023, respectively.

Our Board has unanimously nominated each of Messrs. Thomas C. Chubb III, John R. Holder, Stephen S. Lanier and Clarence H. Smith, who are currently Class II directors, for re-election at the annual meeting, each to serve for a three year term expiring in 2024 and until his respective successor is elected and qualified, and Mr. Milford W. McGuiert for election as a Class III director at the annual meeting, to serve for a one year term expiring in 2022 and until his successor is elected and qualified.

Director Independence

Our Corporate Governance Guidelines provide that we will have a majority of "independent" directors under the New York Stock Exchange's ("NYSE's") listing standards, as determined by the Board, and that, at least annually, our NC&G Committee will review each relationship that exists with a director and his or her related interests for the purpose of determining whether the director is independent. Based in part on our NC&G Committee's review, our Board annually considers the independence of each of our directors.

At its March 2021 meeting, our NC&G Committee and full Board considered director independence. As part of this consideration, our NC&G Committee and Board broadly considered all relevant facts and circumstances, including the NYSE's corporate governance listing standards and all relevant transactions and relationships between each director (including each director's immediate family members and other affiliates) and our company and/or management to determine whether any relationship might impair the director's ability to make independent judgments.

Based on this review and consistent with the recommendation of our NC&G Committee, our Board affirmatively determined that all 10 of our non-employee directors (Ms. Ballard and Hepner and Messrs. Gallagher, Holder, Lanier, Love, McGuirt, Smith, Tuggle and Wood) are independent. In evaluating the independence of our directors, our NC&G Committee and Board gave particular consideration to director tenure, overlapping service on various other company boards of directors and personal and familial relationships among current and former executives and directors of our company, deeming none of these relationships material to those individuals' independence.

Mr. Chubb is currently our Chairman, Chief Executive Officer and President, and therefore not considered an independent director.

Corporate Governance Guidelines; Conduct Policies

Our Board has adopted Corporate Governance Guidelines that set forth certain guidelines for the operation of the Board and its committees. In accordance with its charter, our NC&G Committee periodically reviews and assesses the adequacy of our Corporate Governance Guidelines. As provided under our Corporate Governance Guidelines, our Board annually conducts a self-evaluation, which our NC&G Committee oversees. Our Board has the authority to engage its own advisors and consultants.

Our Board has also adopted a Code of Conduct for all of our directors, officers and employees, as well as an ethical conduct policy that applies to our senior financial officers, specifically our chief executive officer and our chief financial officer. We intend, if applicable, to disclose amendments to our Code of Conduct and our ethical conduct policy for our senior financial officers (other than technical, administrative or other non-substantive amendments) and material waivers of (or failure to enforce) any provisions of these conduct policies (if applicable to any of our directors or executive officers) on our website at www.oxfordinc.com.

Corporate Social Responsibility

Our actions as a company are guided by our company's core values:

- *Integrity*—Build trust through honest relationships. Do the right thing.
- *Respect*—Have respect for oneself and for one another. Lead by example. Exercise humility.
- *Inclusion*—Root our relationships with one another in understanding, awareness and mutual respect. Value and embrace diversity. Welcome the respectful, open expression of differing ideas and perspectives.
- *Accountability*—Own our words, decisions and actions. Earn our reputation.
- *Teamwork*—Show up for each other. Solve problems through good and transparent communication. Know we are strongest when we work as a team.
- *Curiosity*—Improve and innovate. Simplify and streamline. Embrace change. Challenge ourselves.

Our adherence to these core values in everything we do as a company is at the heart of our culture of social responsibility, which can be summed up in four words: *Do the right thing*. For our company, this means doing the right thing for our people, the places we work and our planet, as embodied in the following three pillars of our corporate social responsibility initiatives.

Empower Our People

We believe that all individuals should be treated with respect and dignity. Our long-term sustainability as an organization is built on two basic tenets: (1) provide our team members with an enriching environment in which to develop professionally; and (2) ensure fair and safe working conditions for all workers engaged within our supply chain.

In furtherance of attracting and retaining top caliber employees committed to our core values and business strategy, we maintain competitive compensation programs that include a variety of components, including competitive pay and comprehensive benefit plans consistent with the markets in which we operate. As part of our commitment to fostering an environment that supports employee professional development, we provide employees throughout our brands and businesses with robust development opportunities, including on-the-job training, learning and development programs, and other educational programs.

We are committed to equal opportunity. We believe in a diverse and inclusive workplace that respects and invites differing ideas and perspectives. We make a concerted effort to encourage the exchange of ideas and to actively listen to employee dialogue, provide appropriate training and ensure that the interests of all our employees are supported and advanced. We hope to maintain an environment where there is a sense of belonging and all voices are heard and valued.

Enrich Our Communities

Having been in business for over 75 years, we recognize that in order for a company to survive, it must develop deep connections with the communities in which we operate. We recognize the impact we can have on our communities and understand our responsibility in making the world a better place for future generations. We are proud of our company, our brands and our personnel for the manner in which we support our communities through volunteer efforts, charitable giving, sponsorship activities or working with like-minded, responsible business partners.

Reduce Our Environmental Footprint

We are cognizant of the impact that our operations can have on the environment and actively explore and pursue environmentally-friendly processes throughout our business. In order to make the world a better place for future generations, we understand that we must operate our business in a way that reduces waste and minimizes the impact of our operations on the planet. Our sustainability activities include, for example: (1) energy efficiency initiatives; (2) waste minimization efforts; (3) the use of recycled materials within our supply chain; (4) the implementation of environmentally responsible solutions at our physical locations; (5) working with trade organizations to keep up with industry developments and opportunities; and (6) the incorporation of sustainable raw materials in our products.

Board Meetings and Committees of our Board of Directors

During fiscal 2020, our Board held five meetings and committees of our Board held a total of seven meetings. In addition, our Board engaged in supplemental discussions with our company's management on a routine basis throughout fiscal 2020 to remain apprised of our operations and liquidity in light of the business challenges we faced as a result of the COVID-19 pandemic. During fiscal 2020, each of our directors attended 100% of the aggregate number of meetings of our Board and of all committees of which the director was a member. Although we do not have a formal policy requiring attendance by directors at our annual meetings of shareholders, as stated in our Corporate Governance Guidelines, we encourage directors to attend our annual meetings of shareholders. All of our directors at the time attended our 2020 annual meeting.

Our Board has a standing Executive Committee, Audit Committee and NC&G Committee. The following table identifies the members of each of these committees as of April 16, 2021 and the number of meetings (and actions taken by written consent in lieu of meetings) held by each of these committees during fiscal 2020.

* Independent Director

Executive Committee

Our Executive Committee has the power to exercise the authority of the full Board in managing the business and affairs of our company, except certain powers that are reserved to our full Board under Georgia law. In practice, our Executive Committee serves as a means for taking action requiring our Board's approval between its regularly scheduled meetings.

Audit Committee

The purpose of our Audit Committee is to assist our Board in fulfilling its oversight responsibilities with respect to the following: (1) the integrity of our financial statements, reporting processes and systems of internal controls; (2) our compliance with applicable laws and regulations; (3) the qualifications and independence of our independent registered public accounting firm; and (4) the performance of our internal audit department and our independent registered public accounting firm.

The principal duties and responsibilities of our Audit Committee are set forth in its charter. Pursuant to its charter, our Audit Committee has full access to our books, records, facilities and personnel, as well as the express authority to retain, at our company's expense, any outside legal, accounting or other advisors that it deems necessary or helpful to the performance of its responsibilities. Pursuant to its charter, our Audit Committee is also charged with reviewing our guidelines and policies with respect to risk assessment and risk management, including cybersecurity risks and major financial risk exposures, and the steps taken by our management to monitor and manage those risks. In addition, our Audit Committee may exercise additional authority prescribed from time to time by our Board.

Our Board annually evaluates the financial expertise and independence of the members of our Audit Committee. Following its review in March 2021, our Board determined that Mr. Holder and Mr. Love are "audit committee financial experts," as that term is defined by the rules and regulations of the U.S. Securities and Exchange Commission (which we refer to as the "SEC"), and that all of the members of our Audit Committee are financially literate in accordance with the NYSE's governance listing standards and SEC rules and regulations.

Nominating, Compensation & Governance Committee (or NC&G Committee)

The purpose of our NC&G Committee is to: (1) assist our Board in fulfilling its responsibilities with respect to the compensation of our executive officers; (2) recommend candidates for all directorships to be filled; (3) identify individuals qualified to serve as members of our Board; (4) review and recommend committee appointments; (5) take a leadership role in shaping our corporate governance; (6) develop and recommend our Corporate Governance Guidelines to our Board for adoption; (7) lead our Board in an annual review of its own performance; and (8) perform other functions that it deems necessary or appropriate. Pursuant to its charter, our NC&G Committee has the express authority to retain or obtain the advice of a compensation consultant, independent legal counsel or other advisor, at our company's expense.

Our NC&G Committee also has the following responsibilities, among others, related to compensation matters: (1) administering our restricted stock and stock option plans; (2) reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluating our Chief Executive Officer's performance in light of those goals and objectives and determining the compensation of our Chief Executive Officer based upon this evaluation; (3) reviewing and approving the compensation of our non-CEO executive officers; and (4) making recommendations to our Board regarding certain incentive compensation plans and equity-based plans. In addition, as part of its oversight of our overall compensation program, our NC&G Committee considers our compensation policies and procedures, including the incentives that they create and factors that may influence excessive risk taking.

Following its review in March 2021, our Board determined that all of the members of our NC&G Committee are independent and meet the enhanced independence standards applicable to compensation committee members under the NYSE's corporate governance listing standards and SEC rules and regulations. For information about the role of executive officers and compensation consultants in determining compensation, see "*Executive Compensation—Compensation Discussion and Analysis*" below.

Meetings of Non-Employee Directors

Pursuant to our Corporate Governance Guidelines, our non-employee directors periodically meet separately in executive sessions. Mr. Wood, as our lead director, chaired the meetings of our non-employee directors during fiscal 2020.

Board Leadership

Our Board is responsible for governing the affairs of our company for the benefit of our shareholders. In discharging this responsibility, our Board relies on the judgment, business acumen and experience of our qualified management team. Our directors believe that the appropriate leadership structure for our Board may change from time to time. As stated in our Corporate Governance Guidelines, our Board does not have a policy as to whether our Chief Executive Officer should also serve as chair of our Board. The Board makes this decision as it deems appropriate from time to time based upon the relevant factors applicable to each case.

Our Board is currently comprised of 10 independent directors and one management director (our current Chairman, Chief Executive Officer and President, Mr. Chubb). In electing Mr. Chubb as our Chairman in 2015, our Board considered

Mr. Chubb's leadership qualities; management capability; knowledge of our business and industry; long-term, strategic perspective demonstrated over the course of many years; and performance as our Chief Executive Officer and President.

In Mr. E. Jenner Wood III, we also have an active, engaged lead (independent) director. In his capacity as the lead director, Mr. Wood sets the agenda for, and chairs, executive sessions of our non-employee directors; serves as a liaison between independent directors and Mr. Chubb; and serves as a liaison between our shareholders and our independent directors. As lead director, Mr. Wood is in regular contact with Mr. Chubb about our operating results and activities, risks to our business and business prospects, which during fiscal 2020, included frequent conversations with Mr. Chubb—individually and in consultation with other members of our Board—about the business challenges presented by the COVID-19 pandemic and how our company was adapting its business to address those challenges.

We also have a supermajority of independent directors, regular meetings of our non-employee directors in executive session and an Audit Committee and NC&G Committee (each of which reports to our full Board on a quarterly basis on significant committee activities) comprised solely of independent directors. Our Board believes the current leadership structure, comprised of an executive chair and CEO balanced with a strong lead director tasked with significant specified duties, is in the best interests of our company and shareholders.

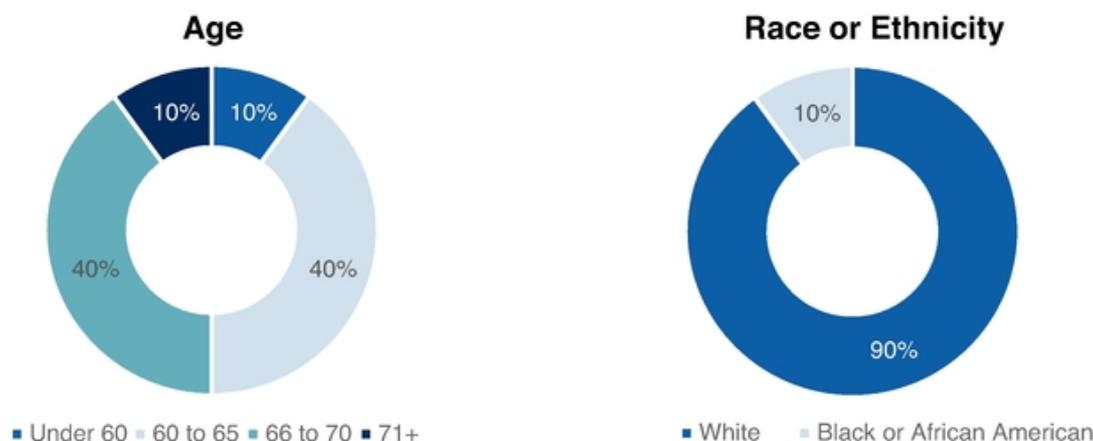

Director Nomination Process

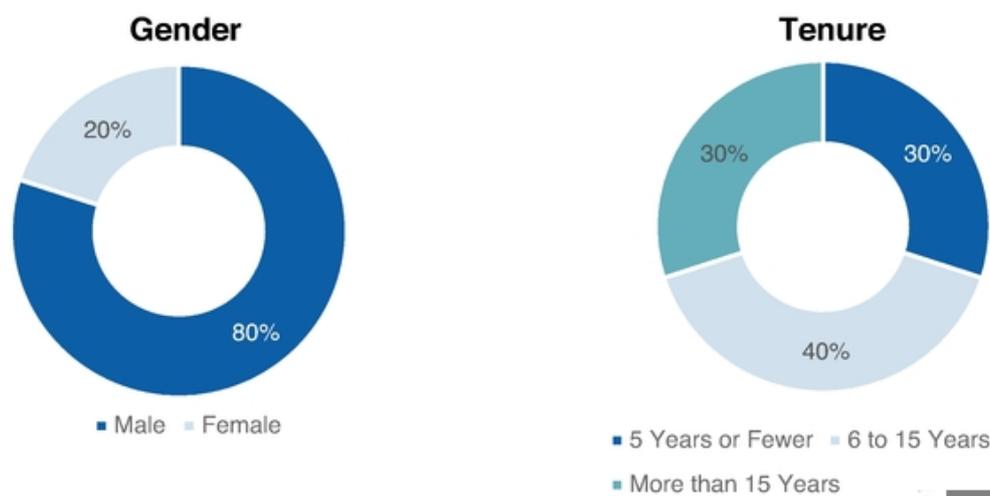

In accordance with our Corporate Governance Guidelines, our NC&G Committee periodically reviews the skills and characteristics required of our directors. This assessment includes issues such as independence, expertise, age, diversity, general business knowledge and experience, financial literacy, availability and commitment, as well as other criteria that our NC&G Committee finds to be relevant. We believe continuity in director service promotes stability and provides our company with the benefit of accumulated familiarity and insight. Accordingly, our NC&G Committee's process for identifying nominees reflects our company's practice of re-nominating incumbent directors whom the committee believes will continue to beneficially contribute to our Board.

In order to accomplish its objectives, our NC&G Committee's evaluations of potential candidates generally involve a review of the candidate's background and credentials, interviews of a candidate by members of our Board and discussions among our directors. Based on its evaluation in light of the foregoing factors, our NC&G Committee recommends candidates to our full Board which, in turn, selects candidates to be nominated for election by shareholders or to be elected by our Board to fill a vacancy.

Board Diversity

Although our Board does not follow any ratio or formula to determine the appropriate composition of directors, consistent with our Corporate Governance Guidelines, our NC&G Committee recognizes that a diversity of viewpoints and practical experiences can enhance our Board's effectiveness. Accordingly, it is the practice of our NC&G Committee in evaluating the diversity of potential director candidates to give particular consideration to the diverse experiences and perspectives that a prospective candidate may bring to our Board, including diversity of age, gender, race or ethnicity and professional experiences and skills. Although our NC&G Committee and Board routinely reassesses the Board's composition, we believe our directors possess the diversity of backgrounds, experiences and qualifications necessary for effective oversight and strategic decision-making. A snapshot of certain characteristics of our 10 independent directors is depicted in the charts below.

Director Compensation

Compensation Program for Fiscal 2020

For fiscal 2020, our non-employee directors were compensated in accordance with the following program guidelines:

- an annual stock retainer in the form of restricted stock (subject to a vesting period generally coinciding with one year of service on our Board) granted to each non-employee director with a grant date fair value of \$75,000;
- an annual cash retainer of \$40,000 payable in quarterly installments to each non-employee director;
- an additional annual cash retainer of \$12,500 payable in quarterly installments to our lead director and the chairs of our Audit and NC&G Committees; and
- an annual cash retainer of \$5,000 payable in quarterly installments to each member, including the chairs, of our Audit and NC&G Committees.

In June 2020, our Board unanimously approved a reduction of 50% in the cash retainer paid to each of our directors for their service on our Board and its committees for the duration of fiscal 2020. This decision was made in light of the continuing COVID-19 pandemic, and its potential impact on cash flows and profitability for our business, including as a result of the temporary closure of all of our retail stores and restaurants, and took into consideration the SG&A reductions implemented across our organization, including with respect to executive compensation reductions and headcount reductions.

To further facilitate our directors increasing their ownership of our stock, our non-employee directors are given the option to elect to receive their annual cash retainers in the form of a one-time restricted stock grant having a grant date fair value equal to the retainer. For fiscal 2020, two of our non-employee directors elected to receive their cash retainers in the form of restricted stock.

Director compensation is paid for the 12-month period commencing with each annual meeting of shareholders. Accordingly, the fiscal 2020 director compensation program described above applies to the period starting with the 2020 annual meeting held on June 16, 2020 and concluding with this year's annual meeting and does not coincide with our 2020 fiscal year for which director compensation is reported in the table below under "*—Director Compensation for Fiscal 2020.*"

Under our Deferred Compensation Plan, our non-employee directors are eligible to defer receipt of up to 100% of their cash retainers. Non-employee directors are permitted to "invest" their deferred fees among a platform of investment options that are available to our eligible employees who participate in the plan. Our Deferred Compensation Plan is an unfunded, non-qualified deferred compensation plan, and participants' account balances are subject to the claims of our company's creditors. In the event that our company becomes insolvent, participants in the plan would be unsecured general creditors with respect to their account balances, which we believe further aligns the interests of our participating directors with the long-term interests of our shareholders. Because our Deferred Compensation Plan does not provide above-market, fixed rates of return, earnings under the plan are not included in the table below under "*—Director Compensation for Fiscal 2020.*" Two of our non-employee directors elected to participate in our Deferred Compensation Plan during fiscal 2020.

As an employee director, our Chairman, Chief Executive Officer and President, Mr. Thomas C. Chubb III, is not compensated for his service on our Board.

The table below summarizes the compensation for our non-employee directors for fiscal 2020.

- (1) Represents the aggregate grant date fair value of restricted stock granted in fiscal 2020, computed in accordance with FASB ASC Topic 718. Information about the assumptions used to value these awards can be found under the captions "Equity Compensation" and "Long-Term Stock Incentive Plan" in Notes 1 and 8, respectively, in our 2020 Annual Report on Form 10-K. As of January 30, 2021, Mr. Holder held 1,959 restricted shares of our common stock; Mr. Love held 2,030 restricted shares of our common stock; Mr. McGuirt held 1,514 restricted shares of our common stock; and each of our other non-employee directors held 1,704 restricted shares of our common stock.
- (2) Represents the dollar value of dividends paid on unvested stock awards which was not factored into the grant date fair value for the stock.
- (3) In addition, from time to time, our directors receive discounted and complimentary apparel and related merchandise. We do not believe that the aggregate incremental cost to us of these discounts and benefits exceeds \$10,000 for any of our directors and, in accordance with SEC rules and regulations, have excluded them from this table.

Stock Ownership and Retention Guidelines

To reinforce the alignment of the interests of our directors with the long-term interests of our shareholders, our Board has established stock ownership guidelines applicable to our non-employee directors. Under these guidelines, each of our non-employee directors is expected within four years to accumulate and hold shares of our common stock having a fair market value equal to 2.0x the director's annual retainer. Each of our non-employee directors has met his/her ownership guideline with the exception of Mr. McGuirt, who joined the Board in 2020.

Our Corporate Governance Guidelines also provide for a retention guideline, or holding period, of one year for stock acquired upon the lapse of restrictions on restricted stock (net of funds reasonably expected to be necessary to satisfy applicable taxes) that applies to our non-employee directors.

EXECUTIVE COMPENSATION

Introduction

In this section of the proxy statement, we provide information about our executive compensation program specifically as it relates to our "named executive officers," or NEOs. This information includes: (1) a Compensation Discussion and Analysis (CD&A) discussing, among other things, how and why our NC&G Committee (which we refer to in this section of the proxy statement as our "compensation committee") made its fiscal 2020 compensation decisions for our NEOs in Spring and Summer 2020; (2) the compensation tables required by the SEC's rules and regulations; (3) a summary of certain limited arrangements with our NEOs that provide for payments upon defined change of control events or upon termination of employment; and (4) disclosure of the ratio of the annual total compensation of our Chief Executive Officer to that of our median compensated employee, as required by and determined in accordance with the SEC's rules.

The CD&A primarily focuses on our 2020 compensation programs, actions and outputs. Fiscal 2020 was a challenging year for our company and the markets in which we do business, with the COVID-19 pandemic and efforts to reduce its spread causing temporary, extended closures of all of our retail stores and restaurants during a portion of 2020 and significantly disrupting the retail apparel industry. As described further in the CD&A, our compensation committee engaged in thoughtful dialogue with our management and carefully reviewed our executive compensation programs for fiscal 2020 in light of the continuing and anticipated impacts of the COVID-19 pandemic on our business to ensure that realized compensation outcomes strongly align with our company's performance and our shareholders' interests.

Under the SEC's rules, our NEOs for purposes of this proxy statement consist of our principal executive officer, our principal financial officer and the three other most highly compensated executive officers who were serving at the end of fiscal 2020. For fiscal 2020, our NEOs were as follows:

- **Mr. Thomas C. Chubb III**, Chairman, Chief Executive Officer and President (our principal executive officer);
- **Mr. Thomas E. Campbell**, Executive Vice President and Chief Information Officer;
- **Mr. K. Scott Grassmyer**, Executive Vice President and Chief Financial Officer (our principal financial officer);
- **Ms. Michelle M. Kelly**, Chief Executive Officer, Lilly Pulitzer; and
- **Mr. Douglas B. Wood**, Chief Executive Officer, Tommy Bahama

Compensation Discussion and Analysis

Executive Summary

We are a leading branded apparel company that designs, sources, markets and distributes products bearing the trademarks of, among others, our Tommy Bahama®, Lilly Pulitzer® and Southern Tide® lifestyle brands. Tommy Bahama and Lilly Pulitzer, in the aggregate, represent more than 85% of our net sales. During fiscal 2020, 77% of our net sales were through our direct to consumer channels of distribution and 97% of our consolidated net sales were to customers located in the United States.

Our business strategy is to develop and market compelling lifestyle brands and products that evoke a strong emotional response from our target consumers. We consider lifestyle brands to be those brands that have a clearly defined and targeted point of view inspired by an appealing lifestyle or attitude. Furthermore, we believe lifestyle brands that create an emotional connection, like Tommy Bahama, Lilly Pulitzer and Southern Tide, can command greater loyalty and higher price points at retail and create licensing opportunities. We believe the attraction of a lifestyle brand depends on creating compelling product, effectively communicating the respective lifestyle brand message and distributing products to consumers where and when they want them.

In fiscal 2020, we decided to exit our Lanier Apparel business, which is expected to be completed during the second half of fiscal 2021. We believe that the decision to exit Lanier Apparel, which has primarily sold tailored clothing products, is in line with our stated business strategy of developing and marketing compelling lifestyle brands and takes into consideration the increased challenges faced by the Lanier Apparel business, many of which were magnified by the COVID-19 pandemic.

Fiscal 2020 Overview and Impact of the COVID-19 Pandemic

Although we started off fiscal 2020 with strong performance in each of our operating groups, the COVID-19 pandemic and efforts to reduce its spread significantly impacted overall economic conditions and our operations. In particular, the COVID-19 pandemic resulted in a significant reduction in our net sales and a significant net loss in fiscal 2020 after years of profitable operating results. While our mission remains the enhancement of long-term shareholder value, our focus during

this crisis has been (1) protecting the health and well-being of our employees, customers and communities, (2) protecting the reputation, value and image of our brands and (3) preserving liquidity.

Due to the COVID-19 pandemic, we saw reduced consumer traffic starting in March 2020 and temporarily closed all our retail and restaurant locations. We began reopening our stores and restaurants starting in early May 2020, with additional stores and restaurants reopening later into fiscal 2020, using a phased approach in accordance with local government guidelines and with additional safety protocols. We closed certain retail stores and restaurants, including several in Hawaii and California, again following their initial reopening to comply with closure requirements reinstated by some local jurisdictions.

With our focus on enhancing long-term shareholder value, we took a number of employment- and compensation-related actions in fiscal 2020 to mitigate the impact of the COVID-19 pandemic on our business, operations and liquidity, including the following:

- **Reductions in Headcount.** We furloughed and/or laid off a significant number of our retail, restaurant and office employees;
- **Temporary Reductions in Base Salary.** Certain of our NEOs accepted temporary reductions in base salary during fiscal 2020;
- **Suspension of Bonus Plan.** We suspended our annual cash incentive bonus programs for fiscal 2020 and did not provide any bonus compensation to our NEOs in respect of fiscal 2020;
- **Director Compensation.** In June 2020, our Board elected to reduce cash retainers by 50% for the duration of fiscal 2020;
- **Deferrals Under the Cares Act.** We deferred the payment of the employer portion of FICA as permitted by the Cares Act; and
- **Suspension of 401(k) Match.** We suspended the company match under our 401(k) retirement savings plan.

As a result of these actions, as well as other business actions we have taken and continue to pursue, we finished fiscal 2020 in a strong liquidity position, and we believe we have the financial strength and discipline to address the near-term challenges related to the COVID-19 pandemic.

Despite the challenges of the COVID-19 pandemic, we achieved successes in several key areas during fiscal 2020. We made significant advancements in our digital marketing and technology initiatives, including enterprise order management, website re-design and improved search engine optimization. Growth of our omni-channel capabilities helped us achieve a 28% increase in our full price e-commerce businesses in fiscal 2020. Our Tommy Bahama business opened four new Marlin Bar locations in fiscal 2020, which provide valuable opportunities to immerse customers in our lifestyle brand. We continue to believe that the strength of our lifestyle brands positions us well to thrive in the post-pandemic retail environment.

Consideration of Last Year's Advisory Say-On-Pay Votes

At our 2020 annual meeting, we held an advisory vote seeking shareholder approval of a "say-on-pay" proposal approving our NEO compensation program. At the 2020 annual meeting, over 98.5% of the votes cast on our say-on-pay proposal were in support of our NEO compensation program, as described in our 2020 proxy statement. Our compensation committee regularly evaluates market compensation practices, taking into consideration information relating to compensation paid by peers, and implements changes as it deems appropriate. The compensation committee invites our shareholders to communicate any concerns or opinions on executive pay directly to our Board of Directors. Please refer to "*Additional Information—Communication to our Board of Directors*" for information about communicating with our Board of Directors.

Compensation Philosophy and Objectives

Our executive compensation programs are designed to:

- maintain a strong link between pay and performance;
- align our NEOs' interests with those of our shareholders; and
- ensure that we are able to attract and retain talented individuals.

Consistent with these objectives, our NEO compensation practices in recent years have factored in the following, which we believe are in the long-term best interests of our shareholders:

<u>What We Do</u>	<u>What We Don't Do</u>
✓ We tie a meaningful percentage of each NEO's potential total compensation opportunities to performance of our company and/or our operating groups	✗ We do not have employment or severance agreements with our NEOs
✓ We provide a mix of short-term and long-term incentives with rigorous financial and non-financial performance requirements	✗ We do not provide our NEOs with incentives that encourage excessive risk-taking
✓ Our equity compensation awards contain only a "double trigger" change in control acceleration of vesting	✗ We do not provide our NEOs with excise or other tax gross ups
✓ We maintain a robust stand-alone recoupment or "clawback" policy for incentive-based cash and equity compensation paid to our NEOs	✗ We do not permit the repricing or cash buyouts of stock options without shareholder approval
✓ Compensation decisions for NEOs are made by an independent compensation committee advised by an independent compensation consultant, with benchmarking against a thoughtfully assembled and representative peer group	✗ We do not permit liberal share recycling or "net share counting" upon exercise of stock options
✓ We condition severance payments upon a release of claims	✗ We do not permit our directors and executive officers to hedge the economic risk of ownership of our company's stock
✓ We have meaningful stock ownership requirements for executives and retention guidelines, or holding periods, on exercised stock options and vested restricted stock that apply to our NEOs	✗ We do not permit our directors and executive officers to pledge their interests in our company's stock as a form of security
✓ We have an annual say-on-pay vote	✗ We do not provide guaranteed incentive awards for executives
✓ We provide only modest perquisites, namely complimentary or discounted availability of our products, that serve the best interests of our business and are common practice in our industry	✗ We do not pay dividends or dividend equivalents on performance-based equity awards during the applicable performance period

Compensation Decision Process

Compensation Consultants. Pursuant to its charter, our compensation committee has the authority, with our company's funding, to retain or obtain the advice of a compensation consultant to assist in the performance of its responsibilities; provided, that, it will retain such an advisor only after taking into consideration relevant factors relating to the advisor's independence from our management.

Our compensation committee again retained Mercer (US) Inc. as its compensation consultant during fiscal 2020 to assist and advise with various executive compensation matters, including the total compensation paid to our executive officers relative to market data, the individual components of executive officer compensation and the peer group used in reviewing and formulating executive officer compensation and changes to our executive compensation programs in response to the COVID-19 pandemic.

In relation to our compensation committee's retention of Mercer, our compensation committee considered various factors relating to Mercer's independence, including those enumerated by the NYSE. As part of its evaluation, our compensation committee considered the following: Mercer's parent company, Marsh & McLennan Companies, provides insurance brokerage services to our company; the fees paid to Marsh & McLennan (including Mercer) in connection with those brokerage services represented a nominal amount of the revenues generated by that company; Mercer's policies and procedures relating to conflicts of interest; the fact that the Mercer consultants that work with our company do not own any of our common stock; and certain consulting services provided by Mercer to employers of certain of our compensation committee members. Following its review, our compensation committee concluded that Mercer was independent.

Key Participant Roles. The following table summarizes the significant roles of the various key participants, including those of certain of our executive officers, in the decision-making process with respect to NEO compensation, in particular for fiscal 2020:

Market Data. We utilize market surveys to obtain a general understanding of compensation practices and trends, and in evaluating market comparisons of compensation paid to our NEOs when making compensation recommendations and decisions for our NEOs. For fiscal 2020 compensation reviews, we utilized the applicable IPAS Global Consumer Goods Survey; Mercer's Executive Remuneration Surveys; and Willis Towers Watson's General Industry and Retail/Wholesale Survey Reports on Executive Compensation. We do not have any input into the companies that make up these surveys.

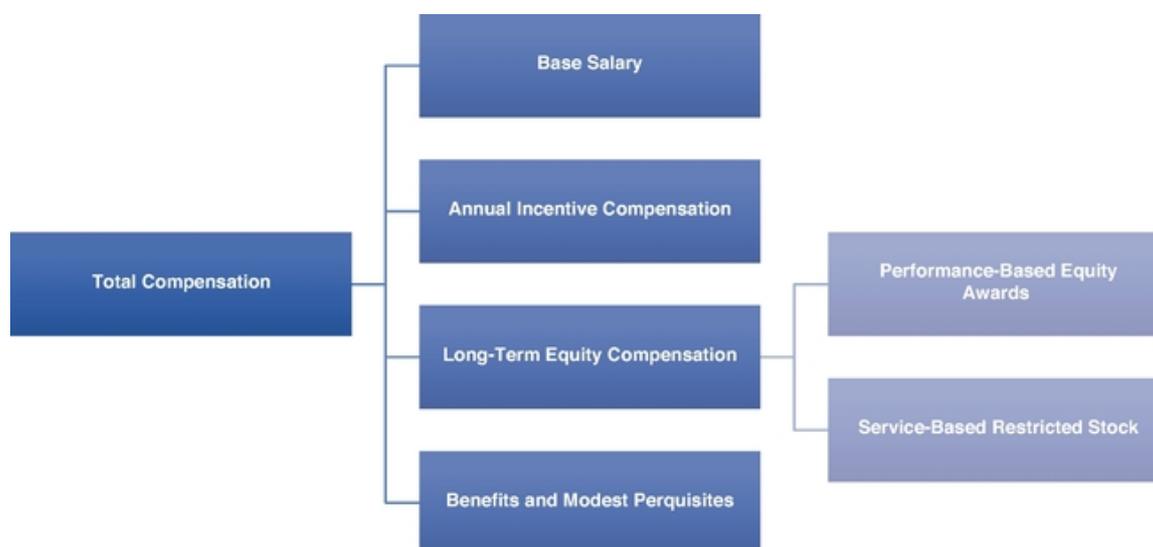

In addition, our compensation committee reviews compensation data obtained from publicly available sources for peer companies. For fiscal 2020, our compensation committee reviewed relevant compensation data from the following companies:

The Buckle, Inc.	Crocs, Inc.	lululemon athletica inc.
Carter's, Inc.	Deckers Outdoor Corporation	RTW Retailwinds, Inc.
The CATO Corporation	Delta Apparel, Inc.	Steven Madden, Ltd.
Chico's FAS, Inc.	G-III Apparel Group, Ltd.	Urban Outfitters, Inc.
The Children's Place, Inc.	Guess?, Inc.	Vera Bradley, Inc.
Columbia Sportswear Company	J.Jill, Inc.	

At Mercer's recommendation, Crocs, Inc. was added to our peer company group for fiscal 2020 based on its revenue size and business offerings.

Elements of Executive Officer Compensation

Total compensation for our NEOs in recent years has consisted of the following:

Our compensation committee carefully evaluated each element of our fiscal 2020 executive officer compensation program in light of the continuing and anticipated adverse impact of the COVID-19 pandemic on our business and the retail apparel industry as a whole. We made several adjustments to fiscal 2020 compensation relative to our fiscal 2019 compensation program in an effort to mitigate the impact of the COVID-19 pandemic on our business while remaining faithful to our compensation philosophy and objectives. The following table summarizes each component of our executive compensation program and the primary changes introduced in fiscal 2020 in response to the impact of the COVID-19 pandemic.

Compensation Component	Purpose	Changes Reflected in Fiscal 2020 Program
Base Salary	Base salary provides a competitive level of guaranteed cash compensation that allows us to attract and retain qualified executives and to compensate them for performing basic job responsibilities.	Certain of our NEOs accepted temporary reductions in base salary during fiscal 2020.

<u>Compensation Component</u>	<u>Purpose</u>	<u>Changes Reflected in Fiscal 2020 Program</u>
Short-Term/Annual Incentive Compensation	Cash incentive awards provide our NEOs with variable cash compensation opportunities based on company and/or operating group performance and are used, among other things, to attract and retain qualified executives; align the compensation paid to our executive officers with our company's performance; and motivate our executive officers to work to achieve and exceed specific company performance goals.	In response to the continuing and anticipated adverse impact of the COVID-19 pandemic on our financial performance and as part of our efforts to preserve liquidity, we suspended our annual cash incentive awards program for fiscal 2020 and did not provide any bonus compensation to our NEOs in respect of fiscal 2020.
Long-Term Equity Compensation (both performance-vesting and time-vesting)	Long-term equity compensation awards provide our NEOs with equity compensation opportunities under our LTIP based on company performance and/or the satisfaction of multi-year service requirements, which further aligns the interests of our executives with those of our shareholders by encouraging retention, motivating our executive officers to work to achieve and exceed performance goals and rewarding increases in stock price.	In an effort to retain and incentivize key employees and more effectively align compensation opportunities with our performance in light of the impacts of the COVID-19 pandemic on the apparel industry, we issued time-based awards and introduced performance-based awards and targets based on total shareholder return relative to peer companies in our industry over a three-year period.
Benefits and Modest Perquisites	Our NEOs are generally eligible to participate in various health, life insurance, retirement, stock purchase, disability and merchandise discount plans we have established for other employees and/or executives. These benefit plans and perquisites are designed to attract and retain key employees by providing benefits competitive with those generally available.	We suspended the company match under our 401(k) retirement savings plan.

Target Compensation Levels. In establishing specific base salary amounts and cash incentive award target amounts payable to any individual NEO, our compensation committee takes into consideration a number of factors, such as the individual's specific role, the individual's performance and accomplishment of significant business strategies, the size of the individual's operating group or business unit, the oversight and other responsibilities of the individual, the individual's employment experience, the individual's compensation history at our company, other factors related to the scope or unique nature of the position's responsibilities and retention considerations. In recent years, our compensation committee has also generally utilized the median of total cash compensation (base salary and cash incentive awards) for similar positions identified using industry and general market data, as well as that of similarly situated executives at the peer company group, as a guideline for evaluating and approving the target total cash compensation for our NEOs. The peer group and market compensation data referred to by our compensation committee was compiled prior to the onset of the COVID-19 pandemic and our compensation committee's decision to defer consideration of any changes to the compensation of our executive officers for fiscal 2020, including the decision to suspend our cash incentive awards program and delay consideration of any new equity awards. However, we believe that the target compensation of our NEOs for fiscal 2020 remains appropriate relative to compensation reviewed with respect to the market and our peer company group. For reference, base salary approved by our compensation committee for our Chief Executive Officer for fiscal 2020, prior to temporary reductions as a result of the COVID-19 pandemic, was approximately 85% of the peer group median and comparable to the market survey median studied by the committee.

In approving the amount of long-term equity compensation granted to our NEOs, our compensation committee reviews market data to understand trends and general compensation practices (for example, typical vesting periods, types and values of equity grants and/or the mix of cash and equity compensation). In approving our fiscal 2020 equity compensation program, which is described under "*Long-Term Equity Incentive Compensation*," our compensation committee also took into consideration market survey and peer group data and recommendations made by our compensation consultant with respect to the design and implementation of equity compensation awards based on total shareholder return (TSR) relative to a defined group of comparative peer companies.

Compensation Mix. Our compensation committee reviews all components of the compensation payable to our NEOs, including base salaries, cash incentive awards and long-term equity compensation. Our compensation committee generally increases target incentive award levels for an NEO as such officer's responsibilities within our organization increase, thereby more heavily weighting the variable elements of compensation for our most senior executives who are more likely to have a strong and direct impact in achieving strategic and financial goals that are most likely to affect shareholder value. Our compensation committee believes that the best interests of our shareholders are served by tying pay to performance and subjecting a meaningful proportion of our NEOs' total compensation to the achievement of company and/or operating group goals. When approving the total target compensation of our NEOs, our compensation committee takes into consideration the allocation of the total compensation to base salary, short-term incentive compensation and long-term equity compensation; however, our compensation committee does not expressly allocate or target a specified percentage of total compensation to individual components.

We have four primary elements of direct compensation for our NEOs, which are described below: base salary; short-term (cash) incentive compensation; performance-based long-term equity awards with specified service requirements; and service-based long-term equity awards. As discussed below, our compensation committee suspended our cash incentive compensation program for NEOs for fiscal 2020 in response to the continuing and anticipated impact of the COVID-19 pandemic on our business and financial performance. However, a significant portion of our NEOs' total target direct compensation for fiscal 2020, in particular for our Chief Executive Officer, remained "at risk" compensation tied to our company's performance, which we believe further aligns the interests of our NEOs with those of our shareholders.

Base Salary

Our compensation committee utilizes base salaries to provide a fixed amount of compensation to our NEOs for the performance of their duties. Base salaries of our NEOs are reviewed on an annual basis. Our compensation committee determines the salary of our Chief Executive Officer and reviews and approves (with or without modification) our Chief Executive Officer's recommended salaries for our other executive officers.

Base Salaries for Fiscal 2020

In March 2020, in light of significant uncertainty regarding the impact of the COVID-19 pandemic, our compensation committee deferred consideration of changes to the compensation of our NEOs, including any increases in base salary. Subsequent to that decision, as part of our effort to preserve liquidity in response to the COVID-19 pandemic, the base salary of each of our NEOs, with the exception of Ms. Kelly, was reduced for all or a portion of the remainder of fiscal 2020. As part of this consideration, we strategically assessed the expected impact of retail store and restaurant closures on our various business units, the disruption to our wholesale operations as those customers were also impacted by store closures, the anticipated disruptions in retail traffic and consumer confidence as stores and restaurants reopened and the ability of, and speed with which, each business unit would be able to adapt to a more digital retail environment during fiscal 2020. Appreciating that certain of our businesses, for example Tommy Bahama with its heavier bricks-and-mortar footprint, would be more adversely impacted by the pandemic, which would necessitate more significant SG&A reductions across those businesses, base salary reductions for our NEOs were intended to more closely align with the impact of the pandemic on the applicable NEO's line of sight.

Accordingly, commencing on April 5, 2020, Mr. Chubb's base salary was reduced by 25% through the remainder of fiscal 2020 and Mr. Campbell's and Mr. Grassmyer's base salaries were reduced by 25% through June 14, 2020. Taking into consideration the significant headcount and other expense reductions being implemented at Tommy Bahama, Mr. Wood volunteered, and Mr. Chubb and our compensation committee agreed with, a base salary reduction of 50% for the period from April 5, 2020 through June 27, 2020, which was subsequently adjusted to reflect a 25% reduction in base salary from June 28, 2020 through October 3, 2020 and an approximate 12.5% reduction in base salary from October 4, 2020 through the remainder of fiscal 2020.

For fiscal 2020, Ms. Kelly's base salary was maintained at its 2019 level, which we felt was appropriate in light of the suspension of short-term cash incentive awards for fiscal 2020 which, in light of Lilly Pulitzer's strong performance in recent years, already resulted in a significant reduction in Ms. Kelly's cash compensation opportunities; Ms. Kelly's strategic leadership in recent years in positioning the Lilly Pulitzer business to be able to successfully navigate the challenges presented by the COVID-19 pandemic; the overall management of SG&A at Lilly Pulitzer following the onset of the pandemic; Lilly Pulitzer's quick response to pivot its business strategies in light of the pandemic, including enhancement of certain capabilities and initiatives, particularly the strengthening of Lilly Pulitzer's digital marketing and omni-channel capabilities, which positions the business well for success in the post-pandemic retail climate; and Lilly Pulitzer's continued strong performance relative to our business as a whole during the pendency of the pandemic.

Short-Term Incentive Compensation

Our compensation committee has utilized cash incentive awards in recent years to provide our NEOs with variable cash compensation opportunities based on company and/or operating group performance. As part of our efforts to mitigate the impact of the COVID-19 pandemic on our business and preserve liquidity, and in light of the challenge of setting meaningful short-term performance goals for fiscal 2020 as a result of uncertainty regarding the impact of the COVID-19 pandemic on our business and the retail apparel industry, our compensation committee suspended cash incentive awards for our NEOs for fiscal 2020 and did not provide any bonus compensation to our NEOs in respect of fiscal 2020.

Long-Term Equity Incentive Compensation

Our compensation committee utilizes stock-based incentive awards under the LTIP to incent our NEOs to remain with our company and further align the interests of our NEOs with those of our shareholders. Our compensation committee typically considers and approves long-term equity incentive awards in March of each year. In light of uncertainty regarding the impact of the COVID-19 pandemic on our business, our compensation committee deferred discussion of new equity awards until June 2020.

The equity compensation program for fiscal 2020 approved by our compensation committee in June 2020 reflects significant changes compared to recent years. Our compensation committee believes the design of the fiscal 2020 program more effectively aligns the interests of our NEOs with the long-term growth and financial success of our company in light of economic conditions in fiscal 2020. In evaluating and approving the long-term equity incentive compensation program for fiscal 2020, our compensation committee considered actions our company had taken to mitigate the impact of the COVID-19 pandemic on our business, including reductions in base salary taken by certain of our NEOs, the suspension of cash incentive awards for fiscal 2020 and the difficulty of establishing meaningful performance targets tied to our financial results in light of the significant uncertainties created by the COVID-19 pandemic.

In recent years, we have granted both service-based restricted stock awards and performance-based restricted stock awards that vest contingent upon our achievement of certain one-year earnings per share performance goals. Our compensation committee continues to believe that a mix of performance-based and service-based equity awards is in line with market practice and furthers the program's incentive and retention objectives. However, after careful review, our compensation committee determined that the use of a multi-year relative TSR metric, rather than a one-year earnings per share metric, for performance-based awards for fiscal 2020 more effectively aligns the interests of our NEOs with those of our shareholders in the current environment.

For fiscal 2020, our long-term incentive compensation program included two equity elements:

- performance-based equity awards under the LTIP that provided participants the opportunity to earn restricted share units contingent upon our achievement of certain performance goals for our company based on multi-year TSR relative to a representative set of comparator group companies, with any restricted share units earned by recipients vesting on, or shortly after, July 28, 2023, as further described below and in the applicable award agreements; and
- service-based restricted shares under the LTIP that are subject to a three-year vesting period, with the awards cliff vesting on July 28, 2023.

The table below sets forth the awards approved by our compensation committee for each of our NEOs for the fiscal 2020 LTIP program.

<u>Name</u>	Performance-Based Restricted Share Units at Target (# of shares)	Service-Based Restricted Shares (# of shares)
Thomas C. Chubb III	22,725	11,365
Thomas E. Campbell	9,090	4,545
K. Scott Grassmyer	9,090	4,545
Michelle M. Kelly	7,385	7,385
Douglas B. Wood	8,525	8,525

The number of shares that will actually be received by each NEO is subject to applicable vesting and performance criteria. Performance-based restricted share units will vest based on our company's TSR relative to the TSR of certain peer companies in a comparator group approved by our compensation committee (which comparator group includes certain companies included in our peer group set forth under "*Compensation Decision Process*," as well as certain industry participants with whom we regularly compare our stock performance) during the three-year performance period ending July 13, 2023.

For purposes of the performance-based equity awards, a company's TSR is determined based on the appreciation of the price of its common stock and the accumulation of dividends and other distributions during the performance period. The actual number of performance-based shares that may be issued will range from 0% to 200% of the target award, based on the percentile rank of our TSR relative to the TSRs of the companies in the comparator group during the performance period, according to the following percentage vesting schedule:

<u>Company TSR Percentile Rank</u>	<u>Restricted Shares Earned as Percentage of Target</u>
<25%	0%
25%	25%
50%	100%
75%	150%
90%	200%

If our TSR percentile is between the points shown above, the percentage of performance-based restricted share units that vest will be determined based on linear interpolation. Restricted share units will vest on or after July 28, 2023 based on, among other things, the timing of our compensation committee's certification of our TSR relative to the TSR of the companies in our comparator group. One share of our common stock will be issued for each restricted share unit earned and vested. If our absolute TSR is negative over the performance period, the payout will not exceed 100% of the target number of performance-based restricted share units. No performance-based restricted share units will be earned if our percentile rank is lower than 25%.

The fiscal 2020 equity awards would generally be forfeited if the recipient is not continuously employed by us through the applicable vesting date. Accelerated vesting of the award occurs in a "double trigger" scenario (i.e., a change of control of our company followed by a termination of employment by the individual with "good reason" or by us or our acquiror without "cause") or, in the case of performance-based equity awards, in the case of a change of control where the awards are neither continued following a change of control nor assumed or converted by the successor entity.

Other Benefit Plans and Perquisites

Non-Qualified Deferred Compensation Plan. We offer a Non-Qualified Deferred Compensation Plan, which we refer to as the "Deferred Compensation Plan," to certain highly compensated employees based in the United States, including our NEOs (other than Ms. Kelly, who is an employee of our Lilly Pulitzer operating group, which does not participate in our Deferred Compensation Plan). Under the Deferred Compensation Plan, a participant may defer up to 50% of base salary and up to 100% of any bonus. The eligible NEOs participate in the Deferred Compensation Plan on the same terms as our other eligible, participating employees. During fiscal 2020, Messrs. Chubb, Campbell, Grassmyer and Wood participated in the Deferred Compensation Plan.

All deferral elections are irrevocable except in the case of a hardship. In respect of calendar year 2020, we made a contribution to each participant's account of (1) 4% of the amount that a participant's compensation during the calendar year exceeded the IRS' 401(k) compensation limit for the calendar year (which for calendar year 2020 was \$285,000), and (2) 4% of any compensation that is excluded from receiving a company match in our tax-qualified 401(k) retirement savings plan due to participation in the Deferred Compensation Plan, provided in each case that the participant elects under the Deferred Compensation Plan to defer at least 1% of his or her base salary for the year. Company contributions for each NEO during fiscal 2020 under our Deferred Compensation Plan are included in the table below under "*—Compensation Tables—Summary Compensation Table for Fiscal 2020.*"

The Deferred Compensation Plan is intended to offer our highly compensated employees, including our eligible NEOs, a tax-efficient method for accumulating retirement savings, as well as to provide an opportunity for our executives to accumulate savings in a tax-efficient manner for significant expenses while continuing in service. The Deferred Compensation Plan constitutes an unfunded, non-qualified deferred compensation plan, and participants' account balances are subject to the claims of our company's creditors. In the event that our company becomes insolvent, participants in the Deferred Compensation Plan would be unsecured general creditors with respect to their account balances, which we believe further aligns the interests of our participating NEOs with the long-term interests of our shareholders.

Under the Deferred Compensation Plan, participants may elect to have contributions during a given calendar year distributed as either: in-service distributions starting at least two years following the year of the applicable contributions in a single sum or in annual installment payments over a period of up to five years; or following a deemed retirement (which occurs when a participant reaches age 55 with at least five years of service) generally in a single sum or in annual installment payments over a period of up to 15 years. Distribution of account balances in a single sum is automatically made on termination for reasons other than a deemed retirement. Participants elect to invest their account balances among a variety

of investment options in an array of asset classes, and earnings are based on the equivalent returns from the elected investment options. Accounts are 100% vested at all times.

Because our Deferred Compensation Plan does not provide above-market, fixed rates of return, earnings under the plan are not included in the table below under "*—Compensation Tables—Summary Compensation Table for Fiscal 2020.*" Earnings and related activity under the Deferred Compensation Plan by our NEOs during fiscal 2020 are described below under "*—Compensation Tables—Fiscal 2020 Non-Qualified Deferred Compensation.*"

Executive Medical Insurance Plan. During fiscal 2020, certain of our key employees, including Messrs. Chubb, Campbell and Grassmyer, were eligible to participate in a fully insured executive medical plan that covers medical expenses, including deductibles, as well as dental, vision and similar coverage, not covered under a base medical plan. The plan provides for coverage of up to \$100,000 per year with a limit of \$10,000 per occurrence. Our executive medical insurance also provides for a \$100,000 accidental death and dismemberment benefit that will pay an eligible executive's beneficiary the lump sum amount in the event of death as a result of a covered accident. Our Lilly Pulitzer and Tommy Bahama operating groups do not participate in the executive medical insurance plan; accordingly, Ms. Kelly and Mr. Wood were not eligible to participate in this plan.

Premiums and administration fees paid by us for each participating NEO during fiscal 2020 under the executive medical insurance plan are included in the table below under "*—Compensation Tables—Summary Compensation Table for Fiscal 2020.*"

Other Benefits. In addition to some of the other compensation policies discussed above, our NEOs are generally eligible to participate in and receive the same health, life insurance and disability benefits, and to participate in certain other benefit and retirement plans available to our employees generally, subject to distinctions in our plans that are applicable to employees of our subsidiaries. Company contributions to our tax-qualified 401(k) retirement savings plan are included in the table below under "*—Compensation Tables—Summary Compensation Table for Fiscal 2020.*" Company contributions to our 401(k) retirement savings plan were suspended in March 2020 for the duration of the 2020 calendar year.

Merchandise Discounts. From time to time, our NEOs receive discounts on our company's merchandise, as well as complimentary meals at our Tommy Bahama restaurants. Certain of these discounts and benefits are offered to other designated employees from time to time. We offer these discounts and benefits because they represent common practice in our industry.

Written Arrangements

Subject to the effect of local labor laws, all of our employees, including all of our NEOs, are "at-will" employees terminable at our discretion. We do not currently have a written employment or severance agreement with any of our NEOs.

Clawback Policy

We maintain a recoupment or "clawback" policy in order to further align the interests of our executive officers with the interests of our shareholders and strengthen the link between total compensation and our performance. Under this policy, we may seek to recover certain incentive-based cash and equity compensation from current and former executive officers in the event we are required to restate any of our financial statements due to material noncompliance with financial reporting requirements.

Under the policy, the amount to be recovered will be determined by the compensation committee taking into account such considerations as it deems appropriate, including the overpayment relative to the incentive based-compensation that would have been paid to the employee if the financial statements had been as presented in the restatement. Incentive-based compensation is defined broadly to include bonuses, awards or grants of cash or equity under any of our incentive compensation or bonus plans, including but not limited to the LTIP, in each instance where the bonuses, awards or grants are based in whole or in part on the achievement of financial results. The policy gives the compensation committee discretion to interpret and apply the policy.

Stock Ownership and Retention Guidelines; Anti-Pledging/Hedging Policy

Our Board has established stock ownership guidelines for our executive officers. The ownership guidelines specify a target number of shares of our common stock that our executive officers are expected to accumulate and hold within five years of appointment to the applicable position. Pursuant to these guidelines, each of our executive officers is expected to own or acquire shares of our common stock having a fair market value of a multiple of his or her base salary as follows: Chief Executive Officer—4.0x; President—2.5x; Executive Vice Presidents—2.0x; and All Other Executive Officers—1.5x. Each of our executive officers has satisfied the applicable stock ownership guideline.

Our Corporate Governance Guidelines also provide for a retention guideline, or holding period, of one year for stock acquired upon the lapse of restrictions on restricted stock or exercise of options (net of funds reasonably expected to be necessary to satisfy applicable taxes and/or pay the exercise price of stock options) that applies to our executive officers.

Pursuant to our Corporate Governance Guidelines and our insider trading policy, our directors and executive officers are prohibited from hedging the economic risk of ownership of our company's stock, including through the use of puts, calls, equity swaps or other derivative securities, or from entering into any pledge arrangements that use our company's stock as collateral for a loan or other purposes.

- (1) Represents the aggregate grant date fair value of equity incentive compensation awards approved in fiscal 2020, fiscal 2019 and fiscal 2018, as applicable, computed in accordance with FASB ASC Topic 718. Information about the assumptions used to value these awards can be found under the captions "Equity Compensation" and "Long-Term Stock Incentive Plan" in Notes 1 and 8, respectively, in our 2020 Annual Report on Form 10-K.

With respect to the value of performance-based restricted share awards included for fiscal 2020, the following sets forth the grant date fair value that was included in the table above (as also set forth below under "Grants of Plan-Based Awards in Fiscal 2020") and the corresponding grant date fair value of these awards assuming the maximum level of performance conditions was met:

- (3) The unearned equity awards at the end of fiscal 2020 consist of performance-based restricted share units awarded in fiscal 2020 pursuant to our LTIP. The actual number of restricted share units earned will range from 0% to 200% of the target award, based on our TSR relative to the TSRs of the peer companies in our comparator group during the three-year performance period ending July 13, 2023. In accordance with Item 402(f) of Regulation S-K, the unearned equity awards at the end of fiscal 2020 are reported assuming achievement at threshold performance, as described above under "*Grants of Plan-Based Awards in Fiscal 2020.*"
- (4) The market value of unearned equity awards reported is computed by multiplying the number of restricted share units that would be earned based on threshold performance, which is 25% of the target number of restricted share units awarded, by \$65.24, the per-share closing price of our common stock on January 29, 2021.

Stock Vested During Fiscal 2020

Potential Payments on Termination or Change of Control

Our NEOs are employed "at-will" and we do not enter into employment agreements or severance agreements with our NEOs. All of our NEOs' outstanding equity awards provide for "double trigger" vesting, meaning that the awards require a change of control of our company and a termination of the individual's employment either by the individual for "good reason" or us or our acquiror without "cause" (which we refer to as a "change of control termination") to accelerate vesting, except as described below. Performance-based restricted share units issued to our NEOs in June 2020 are not subject to "double trigger" acceleration of vesting in the event such awards are neither continued following a change of control nor assumed or converted by the successor entity. If such awards are terminated in connection with a change of control and not assumed or converted by the successor entity, the unvested equity awards would accelerate and vest as of the date of such change of control as follows: (i) if such change of control occurred on or prior to July 13, 2021, the target number of restricted share units subject to the awards would vest, (ii) if such change of control occurred after July 13, 2021 but prior to end of the applicable performance period, the number of restricted share units that would vest would be determined based on our actual TSR relative to the TSR of our comparative peer group for the applicable performance period as if the applicable performance period had ended on the date of such change of control and (iii) if the change of control occurred on or after the end of the applicable performance period but prior to the date on which such awards would vest, the number of restricted shares that would vest would be determined based on our actual TSR relative to the TSR of our comparative peer group for the applicable performance period.

The following table summarizes the value of the shares of our common stock that would be realized by each NEO if a change of control termination had occurred on January 30, 2021:

<u>Name</u>	<u>Equity Awards That Would Vest upon a Change of Control Termination (#)⁽¹⁾⁽²⁾</u>	<u>Value Realized on Vesting Following a Change of Control Termination (\$)⁽³⁾</u>
Thomas C. Chubb III	63,609	4,149,851
Thomas E. Campbell	24,455	1,595,444
K. Scott Grassmyer	24,455	1,595,444
Michelle M. Kelly	31,514	2,055,973
Douglas B. Wood	27,294	1,780,661

- (1) For details on the outstanding equity awards that would vest upon a change of control termination, see Footnote 1 under "*—Outstanding Equity Awards at Fiscal 2020 Year-End.*"
- (2) Pursuant to the terms of the fiscal 2020 program, if a change of control termination takes place where the change of control occurs prior to July 13, 2021, the individual recipients would be entitled to receive the number of shares of our common stock attributable to the recipient's target number of performance-based restricted share units pursuant to the program. Accordingly, the table includes the target number of shares of our common stock pursuant to the fiscal 2020 program for each recipient, as reflected as target under "*—Grants of Plan-Based Awards in Fiscal 2020.*"
- (3) The value is computed by multiplying the number of shares that would vest by \$65.24, the per-share closing market price of our common stock on January 29, 2021.

We did not have any other arrangement, policy or plan that would provide payments or benefits to any of our NEOs as a result of a termination of any kind, including following a change of control, other than benefits payable to salaried employees of our company on a non-discriminatory basis.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the ratio of the annual total compensation of our Chief Executive Officer, Mr. Chubb, to that of our median-paid employee. The pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

To identify our median-paid employee for fiscal 2020, we examined the 2020 total compensation for all individuals, excluding our CEO, who were employed by us on December 31, 2020. For purposes of this calculation: we excluded approximately 4% of our workforce located in foreign jurisdictions under the *de minimis* exception to the pay ratio rule; for all employees based in foreign jurisdictions who were included in our determination of the median-paid employee, we applied a foreign currency to U.S. dollar exchange rate based on the average daily rate during the 12 months ended December 31, 2020; we elected not to annualize the compensation paid to employees who were not employed for all of 2020 (e.g., new hires and employees who were furloughed during 2020); we included full-time, part-time, temporary and seasonal employees for purposes of determining the median-paid employee; and we used gross earnings (or foreign equivalent amounts), meaning total amounts paid before deductions or adjustments, including wages, overtime, bonuses and the value of any equity awards that vested during the 2020 calendar year.

The median-paid employee used for purposes of this fiscal 2020 comparison was a non-exempt, retail employee located in the U.S. with total compensation for fiscal 2020 of \$23,470, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K. The annual total compensation for fiscal 2020 for our Chief Executive Officer was \$2,417,381, as discussed above under "*—Compensation Tables—Summary Compensation Table for Fiscal 2020.*" Based on this information, for fiscal 2020, the ratio of the annual total compensation of our Chief Executive Officer to the annual total compensation of our median-paid employee was 103 to 1.

We believe the pay ratio disclosure presented in this section is a reasonable estimate. Because the SEC's rules for identifying the median-paid employee and calculating the pay ratio allow companies to use different methodologies, assumptions, adjustments and estimates, our pay ratio disclosure may not be comparable to the pay ratio reported by other companies. This information under "*CEO Pay Ratio*" is being provided solely for compliance purposes. Neither our compensation committee nor our management uses the pay ratio measure in making compensation decisions.

NOMINATING, COMPENSATION & GOVERNANCE COMMITTEE REPORT

The Nominating, Compensation & Governance Committee has reviewed and discussed with management the Company's Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K. Based on such review and discussions, the Nominating, Compensation & Governance Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into the Company's Fiscal 2020 Annual Report on Form 10-K.

Respectfully submitted,

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of them are current officers or employees of our company or any of our subsidiaries; none of them are former officers of our company or any of our subsidiaries; and none of them had any relationship during fiscal 2020 requiring disclosure under any paragraph of Item 404 of Regulation S-K. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board or Executive Committee reviews all transactions that are disclosable under Item 404(a) of Regulation S-K. To help identify these related party transactions, our Legal Department maintains a list of companies and other persons with whom each director and executive officer has a potentially disclosable relationship and each director and executive officer is annually expected to complete a questionnaire that requires the disclosure of any transaction or relationship that the individual, or any member of his or her immediate family, has or will have with our company. Our Legal Department, with the assistance of other members of senior management, also reviews contemplated transactions to consider whether one of our directors or executive officers (or an affiliated entity) proposes to engage in a transaction that our Board should review. Our Board or Executive Committee will only approve related party transactions that are in, or not inconsistent with, the best interests of our company and our shareholders. In determining whether to approve or reject a related party transaction, our Board considers such information as it deems important to determine whether the transaction is on reasonable and competitive terms and is fair to our company.

During fiscal 2020, there were no related party transactions requiring disclosure in this proxy statement.

In fulfilling its responsibilities, the Audit Committee has:

- reviewed and discussed with management and Ernst & Young LLP the audited financial statements included in the Company's Fiscal 2020 Annual Report on Form 10-K and the reports of management and of Ernst & Young LLP on the effectiveness of the Company's internal control over financial reporting as of the end of fiscal 2020 contained therein;
- discussed with Ernst & Young LLP the matters required to be discussed by the Statement of Auditing Standards No. 61 (*Communication with Audit Committees*), as amended by the AICPA professional standards, vol. 1 AU section 380, as adopted by the Public Company Oversight Board in Rule 3200, as subsequently superseded by Auditing Standard No. 1301 (*Communications with Audit Committees*), which include, among other items, matters related to the conduct of the audit of the fiscal 2020 financial statements;
- received from Ernst & Young LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the Audit Committee concerning independence, considered whether the independent auditors' provision of other non-audit services to the Company (which are set forth below under "*Fees Paid to Independent Registered Public Accounting Firm*") is compatible with the auditors' independence, and discussed with Ernst & Young LLP its independence;
- concluded that Ernst & Young LLP is independent from the Company and its management; and
- based on the reviews and discussions referred to above, recommended to the Board that the audited financial statements be included in the Company's Fiscal 2020 Annual Report on Form 10-K.

Approval of Audit and Permissible Non-Audit Services of Independent Auditors

Our Audit Committee has adopted a policy for the pre-approval of services provided by our independent registered public accounting firm. Unless a service to be provided by our independent registered public accounting firm has received general pre-approval under the policy, it requires specific pre-approval by our Audit Committee or the chair of our Audit Committee before the commencement of the service. The pre-approval policy is detailed as to the particular services to be provided, and our Audit Committee is to be informed about each service provided.

Specific pre-approval is required for significant recurring annual engagements, such as engagements for the required annual audit and quarterly reviews (including the audit of internal control over financial reporting) and statutory audits. Any

individual engagement with an estimated cost of more than \$75,000 must be specifically pre-approved before the commencement of the engagement, even if the service in question has received general pre-approval. In addition, further Audit Committee pre-approval is required if the aggregate fees for such engagements would exceed \$200,000. At each Audit Committee meeting, the entire Audit Committee reviews services performed since the prior meeting pursuant to the general pre-approvals granted under the policy, as well as services, if any, pre-approved by the chair of our Audit Committee.

The nature and dollar value of services performed under the general pre-approval guidelines are reviewed with our Audit Committee on at least an annual basis. All of the fees detailed above paid to Ernst & Young LLP for fiscal 2020 and fiscal 2019 were specifically pre-approved by our Audit Committee.

INFORMATION ABOUT THE MEETING AND VOTING**Shares Outstanding**

You may vote at our 2021 annual meeting if you owned shares of our common stock as of the close of business on April 16, 2021, the record date for the annual meeting. As of April 16, 2021, there were 16,897,902 shares of our common stock issued and outstanding. You are entitled to one vote for each share of our common stock that you owned on the record date.

Participating in the Meeting

Shareholders may access the annual meeting webcast, submit questions and electronically vote shares at the meeting by visiting www.meetingcenter.io/286704064. The live audio webcast of the annual meeting will begin promptly at 2 p.m., Eastern Time. We encourage shareholders to access the webcast in advance of the designated start time.

If your shares of our common stock are registered directly in your name with Computershare, our transfer agent, then you are a shareholder of record. As a shareholder of record, you may access the meeting webcast using the instructions and voter control number set forth in the Notice of Internet Availability.

If, like most of our shareholders, your shares of Oxford common stock are held in an account with a broker, you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. If your shares are held in an account with a broker and you wish to participate in the annual meeting, you must register in advance to participate in the meeting webcast and obtain a new control number from Computershare, our transfer agent. You may request registration by submitting proof of your proxy power (legal proxy) reflecting your holdings of our common stock, along with your name and email address, to Computershare. Requests for registration may be directed to Computershare (i) by mail to the following address: Computershare, Oxford Industries, Inc. Legal Proxy, P.O. Box 43001, Providence, RI 02940-3001 or (ii) by email, by attaching an image of your legal proxy or forwarding the email from your broker to legalproxy@computershare.com. Requests for registration must be labeled "Legal Proxy" and received no later than 5:00 p.m., Eastern Time, on June 9, 2021. You will receive a confirmation of your registration by email after your registration materials have been received.

Voting

If you are a shareholder of record, you may vote using one of the following methods:

- by voting on the Internet in accordance with the instructions set forth in the Notice of Internet Availability;
- after requesting a printed copy of the proxy materials, by signing and returning a proxy card or voting by telephone; or

- by participating in the annual meeting and voting electronically at the annual meeting.

If you are a shareholder of record and you sign and return your proxy card but do not include voting instructions, your proxy will be voted as recommended by our Board or, if no recommendation is given, in the discretion of the proxies designated on the proxy card, to the extent permitted under applicable law.

However, if you are a shareholder of record, your shares will not be voted unless you submit a proxy (which can be accomplished by voting on the Internet, by telephone or by signing and returning a proxy card, as noted above) or participate in the annual meeting webcast and vote electronically at the meeting.

If your shares are held in an account with a broker, the broker holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you may direct your broker on how to vote the shares in your account. Telephone and/or Internet voting may be available to direct your broker on how to vote the shares in your account, but the availability of telephone and/or Internet voting will depend on the voting processes of that firm. Please follow the directions on your proxy card or voting instruction form carefully. Even if your shares are held in an account with a broker, you are invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares electronically at the meeting unless you obtain a valid proxy card from your broker and, in order to gain access to the meeting webcast, register for the meeting with Computershare by following the instructions in "*Participating in the Meeting*" above.

Broker Discretionary Voting; Broker Non-Votes

If you hold shares through an account with a broker, your shares may be voted by the broker even if you do not provide voting instructions. Brokerage firms have the authority, under the NYSE's rules, to vote shares in their discretion on certain "routine" matters when their customers do not provide voting instructions. Under the NYSE's rules, only Proposal No. 2 (ratification of Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal 2021) is considered a routine matter.

The other proposals to be addressed at the annual meeting are considered "non-routine" matters under the NYSE's rules. When a brokerage firm has not received voting instructions from the beneficial holder of the shares with respect to a non-routine matter, the brokerage firm cannot vote the shares on that proposal. This is called a "broker non-vote." Broker non-votes will be counted as present at the annual meeting for quorum purposes but will not be counted as entitled to vote on the non-routine matter. **Therefore, if your shares are held in an account with a broker, it is important that you provide voting instructions to your broker so that your vote on these proposals is counted.**

Changing Your Vote

If your shares are held in an account with a broker, then you must follow the instructions provided by that firm in order to revoke or change your vote with respect to shares held in street name.

However, if you are a shareholder of record, you may revoke or change your vote with respect to the shares of our common stock that are registered directly in your name by doing any of the following:

- delivering a written notice of revocation to our Secretary before the vote is taken at the annual meeting, such notice of revocation dated later than the proxy you want to revoke;
- changing your vote using the Internet methods for voting described in the Notice of Internet Availability;
- properly executing and delivering a later-dated proxy before the vote is taken at the annual meeting;
- if you have requested a printed copy of the proxy materials, voting by telephone; or
- voting electronically at the annual meeting (your participation in the annual meeting, in and of itself, will not revoke the earlier proxy).

Quorum

In order for us to conduct the annual meeting, the holders of a majority of the shares of our common stock issued and outstanding as of the record date must be present, in person or by proxy, at the annual meeting. This is referred to as a quorum. Abstentions and broker non-votes, if any, will be counted as shares present at the meeting for purposes of determining the presence of a quorum.

Board's Role in Risk Oversight

Our Board is ultimately charged with overseeing our business, including risks to our business, on behalf of our shareholders. In order to fulfill this responsibility, our Audit Committee, pursuant to its charter, reviews our policies with respect to our company's risk assessment and risk management. With our Audit Committee's oversight, we conduct an enterprise risk management, or "ERM," program on an ongoing basis. At each quarterly meeting of our Audit Committee, a significant portion of time is devoted to a management report to the committee on the status of the ERM program and/or certain risks, including among other things cybersecurity and data privacy, faced by our company.

Our Audit Committee actively engages management on potential strategies for reducing, eliminating or mitigating the risks to our organization. Our Audit Committee regularly reports to our Board on our ERM program, and our management at least annually provides our Board with a full report on our ERM program. In addition to our ERM program, our Board examines specific business risks in its regular reviews of our operating groups and also on a company-wide basis as part of its regular strategic reviews.

As part of its oversight of our overall compensation program, our NC&G Committee considers our compensation policies and procedures, including the incentives that they create and factors that may influence excessive risk taking. In particular, our compensation programs typically provide for short-term cash incentive payments to individuals throughout our company based on satisfaction of pre-established performance targets. For employees within our various operating groups, these performance targets may be based on performance by the operating group, as a whole, or a specific business unit or business location within that operating group. Each cash and/or equity incentive award for an individual employee within our organization is subject to a maximum amount that may be received by the individual. Our senior management and, with respect to our executive officers, our NC&G Committee, approve applicable performance targets taking into consideration our detailed, internal budgets for upcoming fiscal periods. These members of senior management have access to daily retail and ecommerce sales data and receive monthly financial reports, and they review and analyze deviations from the budgeted plans to assess whether, among other things, the deviations were the result of inappropriate risk taking. Our NC&G Committee has concluded that our compensation policies and procedures are not reasonably likely to have a material adverse effect on our company.

Submission of Director Candidates by Shareholders

Pursuant to our bylaws, to be timely, a director nomination by a shareholder must generally be delivered to our Secretary not less than 90 days nor more than 120 days prior to the first anniversary of the date of the preceding year's annual meeting; however, if the annual meeting of shareholders is advanced more than 30 days prior to or delayed more than 30 days after the first anniversary of the preceding year's annual meeting, a director nomination submitted by a shareholder to be timely must be delivered not later than the close of business on the later of (1) the 90th day prior to the annual meeting or (2) the 10th day following the date on which public announcement of the date of such annual meeting is first made. Any recommendation received by our Secretary will be promptly forwarded to the chair of our NC&G Committee for consideration. In order for a shareholder to nominate a director candidate for consideration at our 2022 annual meeting, we must receive notice of such nomination between February 15, 2022 and March 17, 2022 (inclusive) unless the date of our 2022 annual meeting is advanced more than 30 days prior to or delayed more than 30 days after June 15, 2022. Any such nominations must comply with the other requirements for proper nominations pursuant to our bylaws.

Our bylaws set out the specific requirements that a shareholder must satisfy in order to properly nominate a director candidate. Any shareholder filing a written notice of nomination for a director must describe various matters regarding the nominee and the shareholder, including, among other things, name; address; occupation; shares, rights to acquire shares and other derivative securities held; and any relevant understandings or arrangements between the shareholder and affiliated parties, if any. A copy of the requirements for nominating a director candidate is available in print to any shareholder who so requests it. Requests for a copy of these requirements should be mailed to our company's headquarters at Oxford Industries, Inc., 999 Peachtree Street, N.E., Suite 688, Atlanta, GA 30309, Attention: Investor Relations.

In addition to candidates submitted by shareholders, our NC&G Committee will also consider candidates recommended by directors, management, third party search firms and other credible sources. Candidates recommended by any of these sources will be equally evaluated and considered. Our NC&G Committee will compile a complete list of candidates recommended by any credible source and evaluate each candidate. Each candidate will be evaluated in the context of the current composition of our Board, the current needs of our Board and the long-term interests of our shareholders. In making its evaluation of possible director candidates, our NC&G Committee will consider, among other things, issues such as a candidate's independence, expertise, age, diversity, general business knowledge and experience, financial literacy, availability and commitment. After evaluating each candidate, our NC&G Committee will determine which candidates it will recommend to the full Board.

Shareholder Proposals

Pursuant to our bylaws, in order for a shareholder proposal (other than a proposal submitted pursuant to Rule 14a-8 or director nomination) to be considered at an annual meeting, the proposal must be delivered to our Secretary not less than 90 days nor more than 120 days prior to the first anniversary of the date of the preceding year's annual meeting; however, if the annual meeting of shareholders is advanced more than 30 days prior to or delayed more than 30 days after the first anniversary of the preceding year's annual meeting, in order to be timely, a shareholder proposal must be delivered not later than the close of business on the later of (1) the 90th day prior to the annual meeting or (2) the 10th day following the date on which public announcement of the date of such annual meeting is first made. Accordingly, in order for a shareholder proposal (other than a director nomination) to be considered at our 2022 annual meeting, we must receive the proposal between February 15, 2022 and March 17, 2022 (inclusive) unless the date of our 2022 annual meeting is advanced more than 30 days prior to or delayed more than 30 days after June 15, 2022.

Our bylaws set out the specific requirements that a shareholder must satisfy in order to properly make a proposal for consideration by our shareholders at an annual meeting. Any shareholder submitting a proposal must describe various matters regarding the shareholder, including, among other things, name; address; occupation; shares, rights to acquire shares and other derivative securities held; and any relevant understandings or arrangements between the shareholder and affiliated parties, if any. A copy of the requirements for submitting a shareholder proposal is available in print to any shareholder who so requests it. Requests for a copy of these requirements should be mailed to our company's headquarters at Oxford Industries, Inc., 999 Peachtree Street, N.E., Suite 688, Atlanta, GA 30309, Attention: Investor Relations.

Our bylaws further contemplate that shareholders who wish to have a proposal included in our proxy statement may be permitted to do so in accordance with Rule 14a-8 under the Exchange Act provided the proposal is otherwise in accordance with such Rule 14a-8. In order for a proposal to be included pursuant to Rule 14a-8 in the proxy statement for our 2022 annual meeting, it must be submitted in writing by January 6, 2022 and comply with the requirements of Rule 14a-8, unless the date of our 2022 annual meeting is advanced more than 30 days prior to or delayed more than 30 days after June 15, 2022.
